

Name It & Nail It

“Renovating how we solve problems and construct opportunities through collective wisdom while focusing on creating a better customer and employee experience.”

The Blue Print –

Name It & Nail It is an initiative to capture suggestions, ideas and feedback from valued employees on how we can do things better than the way we do them now.

This initiative encourages every employee to speak out, no matter how big or little the idea, so to “nail down” ways to be more efficient and feel professionally accomplished while creating a better customer experience.

Submit your Name It items by November 21st

Name It-

What can we do better? What should we start or stop doing?

Suggestions, ideas and feedback should come from all BFOC employees about any BFOC entity and can be submitted on www.gobissell.com

An input group, aka *Construction Crew*, led by a Leadership Committee Member, aka *Foreman*, will be formed to **Nail** chosen **Name It** topics.

All **Name It** topics will be reviewed and passed on to Leadership by the Project Administrator. Many will receive an immediate response and may not require assignment to a *Construction Crew*.

Meeting schedules, minutes and updates will be posted on www.gobissell.com The *Construction Crew* will *hammer* away, topic by topic, for a solution that **Nails It**.

Once the *Foreman* and his *Construction Crew* have determined a solution or procedure that **Nails It**, the *Foreman* will be asked to report the *Crew's* results by creatively giving a short presentation at a Leadership Council Meeting. The **Nailed** outcome will also be posted at www.gobissell.com

The **Hard Hat** symbolizes protection and safety. Because some comments and suggestions might be of a sensitive nature, you are welcome to submit comments anonymously through US mail.

No comment should go left unsaid!
